User registration for designated consumers
(DISCOMs, Open Access and Captive Power Plant),
Non-Obligated Entities, Empanelled Energy Audit
firm and Accredited Energy Auditor (AEA)

REGISTRATION PROCESS

OBLIGATED ENTITIES

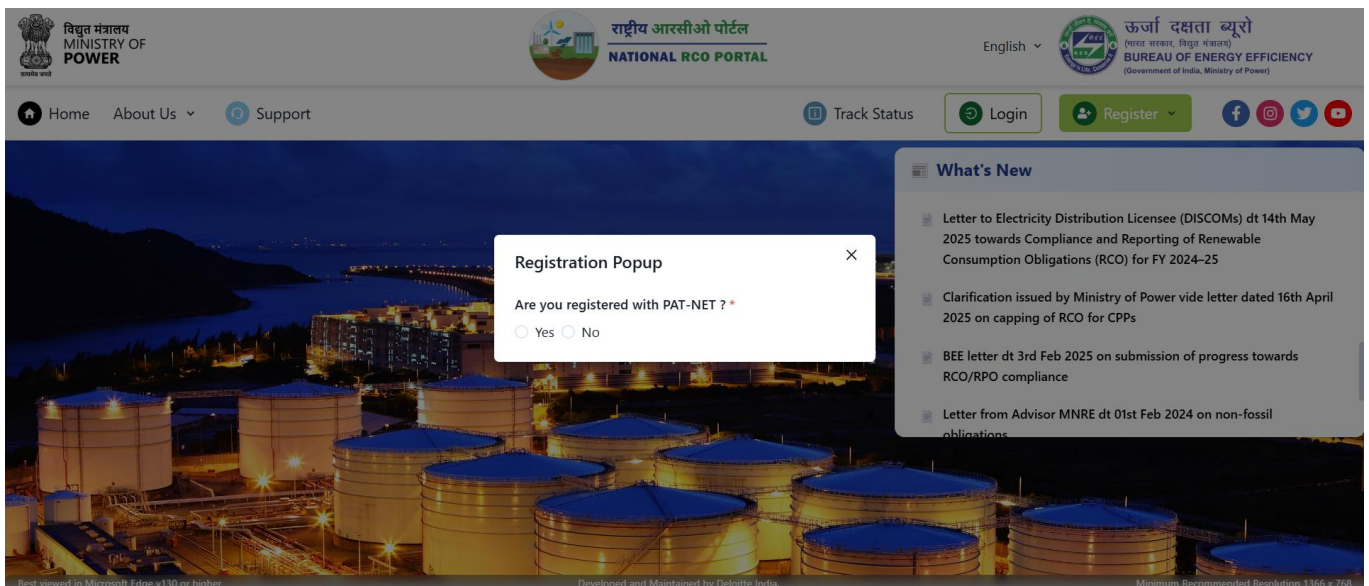

HOME PAGE SCREEN:

- Click on register tab to register yourself as Obligated Entity (DISCOM, Open Access and Captive Power Plant consumer)

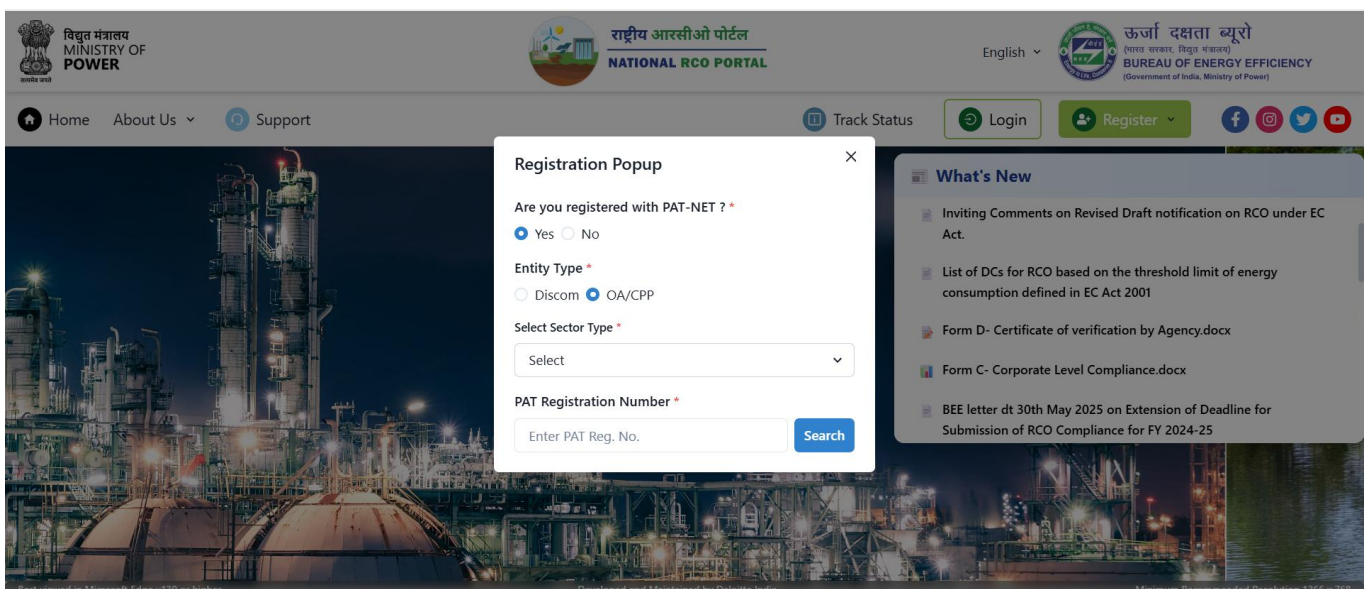

- If you are registered with PAT Net, kindly select 'Yes'. If you are not registered with PAT net, select 'No'

Registration Application through PAT Number

- If you select 'Yes', you have to fill the entity type (DISCOM/OA/CPP). For Ex- if you go ahead with OA/CPP, select the sector type and the PAT registration number to fetch the details. You cannot submit, before you fetch the details through sector type and PAT number.

- Post fetching the details, if the user thinks the mobile number or primary email address needs to be changed, user can edit the details and submit the changes to BEE for approval. For changing other details other than mobile number or primary email address, user may contact BEE at <<Rco.support@bee.gov.in>>.

What's New

- RCO amendment notification dt 27th Sept 2025
- BEE letter dt 24th Sept 2025 on Extension of Deadline for Submission of RCO Compliance for FY 2024-25 till 31st Oct 2025
- Inviting Comments on Revised Draft notification on RCO under EC Act.
- List of DCs for RCO based on the threshold limit of energy consumption defined in EC Act 2001
- Form D- Certificate of verification by Agency.docx
- Form C- Corporate Level Compliance.docx
- BEE letter dt 30th May 2025 on Extension of Deadline for Submission of RCO Compliance for FY 2024-25

- In the track status window, user can check if the application has been approved by BEE or not. Once the application has been approved, user can proceed with the payment to get the user name and temporary password

The screenshot shows the user interface of the National RCO Portal. The header includes the Ministry of Power logo, the portal name in Hindi and English, a language dropdown set to 'English', and the Bureau of Energy Efficiency logo. Navigation links for Home, About Us, Track Status, Login, and Register are present. The main content area features an illustration of a person with a large pen and a magnifying glass over a checklist. The status is 'Approval Pending - Document in Review' and 'Awaiting Verification by BEE'. A message states: 'Your Documents are under Review. You can make the payment once they are Verified.' Below this, the application submission and last update dates are both listed as 11/11/2025.

- Once the documents are approved by BEE. The user can proceed with payment.

The screenshot shows the user interface of the National RCO Portal after document approval. The header is similar to the previous screenshot but includes a 'Support' link. The main content area features an illustration of a person using a smartphone with a payment interface. The status is 'Documents Approved. Proceed for payment.' A message states: 'Your registration have been Reviewed and Approved. You can make the payment now. For further details kindly refer below.' Below this is a 'Payment Invoice' table.

Payment Invoice	
Amount :	₹15000.00
CGST (9%) :	₹0.00
SGST (9%) :	₹0.00
Total :	₹15000.00

A 'Make Payment' button is located below the invoice table.

- Once the payment has been done, user shall get the username and temporary password for login at RCO portal through SMS.
- The user can download the payment receipt by clicking on the PDF icon displayed under the Entity section.

Your payment has been successfully processed.

Username: BHT-IRAL-SLR-2026-224

Entity Registration Number : RCO-RJ-IRAL-BHT-295

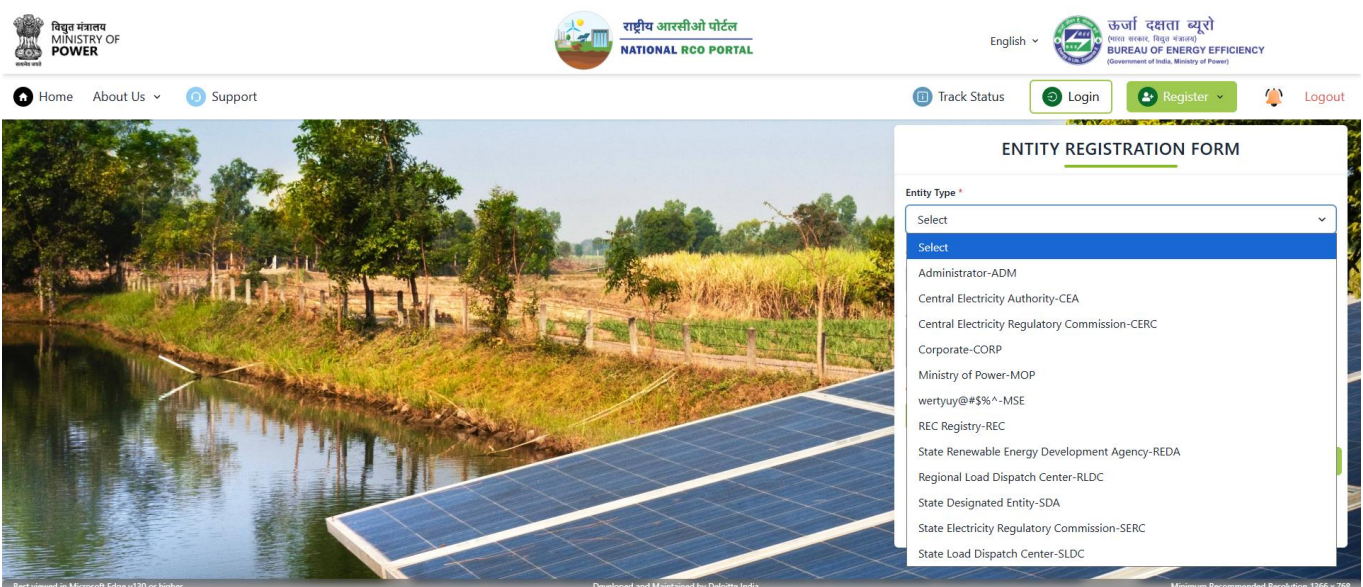

NON-OBLIGATED ENTITIES

- Click on register tab to register yourself as Non-Obligated Entity (MoP, BEE, SLDC, SDA among other entities)

- Select the entity type (Admin-BEE, CEA, CERC, Ministry of Power, SDA, SLDA among others) , organization name and address to commence the registration process.

- Fill in all the details like primary username, designation, mobile number, email id etc. to register the entity on the RCO portal.

Note: Without mobile verification the registration cannot be completed

The screenshot displays the National RCO Portal interface. The header includes the Ministry of Power logo, the National RCO Portal logo, and the Bureau of Energy Efficiency logo. The navigation bar contains links for Home, About Us, Support, Track Status, Login, Register, and Logout. The main content area features a large background image of power transmission towers. Overlaid on the right is the 'PRIMARY USER REGISTRATION' form, which includes fields for Designation, Mobile Number, Official Email, and Alternate Email. A 'Verify' button is present below the Mobile Number field. At the bottom of the form, there is a checkbox for 'I confirm the data is accurate and agree to the terms.' and a 'Submit' button. A 'Back' button is also visible.

ACCREDITED ENERGY AUDITOR

- Click on register tab to register yourself as Accredited Energy Auditor (AEA) to verify the Annual RCO Compliance forms for Designated Consumers.

The screenshot shows the National RCO Portal with a background image of solar panels. The 'What's New' section is active, displaying a list of updates. A dropdown menu is open, showing options: 'Obligated Entity', 'Non Obligated Entity', 'Accredited Energy Auditor' (highlighted with a red box), and 'Empanelled Audit Firm'. The 'Accredited Energy Auditor' option is the correct selection for registration.

- Search the RCO portal database through the BEE verified EA number (EA-XXX), which will fetch the details of the Auditor and the other details like Email Id and Mobile number can be updated. After filling all the details, user can login through the EA Number and the temporary password shared on Mobile number and Email.
- Note:** Only the BEE verified Energy Auditors can register on the RCO portal

• Verification by Auditor / SLDC

After approval by the Plant Head:

- In the case of OA/CPP, the form will be forwarded to the Accredited Energy Auditor (AEA).
- In the case of DISCOM, the form will be forwarded to the SLDC.
The respective authority will review, verify, and approve the form for further processing.

- SDA Review & Approval** - After verification by the Energy Auditor or SLDC, the form will be sent to the State Designated Agency (SDA) for review and approval. The SDA will examine the submission and approve it before forwarding it for final approval.

• Final Approval & Buyout Process

Once the form is approved by the Admin (final authority), the shortfall (if any) will be calculated and displayed. The Plant Head will then have access to the Buyout option on the portal. The user must:

- Click on the Buyout option
- Select the financial year (FY)
- Complete the process using REC and Buyout mechanisms

After completion, the process will proceed towards the final submission of Form D.
